

# Magic of the Mountain

## 2021 Photography Workshop

### Mt Gravatt Environment Group

#### Sunday 16 May

Working with light

Using light to highlight colour & form – Spade Flower

The Golden Rule is:

"Do not shoot into the light, have the sun over your shoulder."

**Break the rules; explore working with light at our 2021 Photography Workshop**

Alan Moore will challenge you to break the Golden Rule and utilise contre jour style to intensify line and form, shapes and silhouettes.

After a review of photographic contre jour techniques we will take to the bush to explore the wonders of photographic Light Work. Returning from our field adventure we will look further at a range of photographic and processing techniques before comparing and discussing a sample of participants' photos.

**Coffee and tea provided - BYO picnic lunch**

#### Workshop format:

8:00am Registration

8:15am – 9:15am Presentation

- Know your camera - settings
- Painting with light – artistry and aperture
- Planning and pre-visualisation

9:15am morning tea: coffee and tea provided then go bush into the light

11:00am Presentation continues

- Camera techniques
- Image processing
- Equipment

12:15 – 1:00pm compare and discuss results over byo lunch
